

Year 6 : Home Learning

	Maths	English	Choose 1 a day
<p>Let's see how you do on the 2019 SAT test papers. Show off your skills and see how far you can get in the given time. Even ask an adult at home to time you - use all of your time; if you finish with time spare, check and check again. Use all of the time. If you need more time, change colour. You have achieved so much in year 6; you should be proud. When completed, you may want to see if an adult can check for you :)</p>			
Monday	<p>Can I create a powerpoint explaining Roman Numerals?</p> <p>Show me what each letter stands for. Can you create an acronym to remember each letter in order? Create a slide with these numbers 4, 27, 87, 104, 7263 9, 73, 94, 639, 3450</p> <p>Now choose 10 of your own numbers and create one more slide.</p>	<p>Can I complete my Grammar SAT test? What does he do? What happens? Get creative!</p> <p>You can write this or type it in google docs.</p>	

Daily:
Aim for a minimum of 10 minutes reading
10 minutes of Timestables rock stars to keep your tables fresh
Stick to your timetable for completing your booster books - aim for a minimum of one 10 minute test a day.
Laugh, talk and have some fun
Appreciate the support you get from home - this could be the meals, the hugs, the help with work or even just smile.
Try to tidy up if you make a mess; help the adults at home!
<https://www.duolingo.com/welcome> - Learn a new language - Aim for 10 minutes a day. Make notes as you do this and it will really help you. I'll do this too. :)

Exercise: Keep your body and brain fit and healthy.

Ideas:

- Go Noodle

Year 6

Try and start every day with some breakfast. Get changed out of your pajamas so your mind and body are ready and prepared for your day. Keep that brain active and work hard.

Well done everyone.
